Trent University Faculty Association  
Attn: Professor David Newhouse, TUFA President  
Trent University, 1600 West Bank Dr  
Peterborough, ON K9J 7B8

Dear Professor Newhouse,

Thank you & the Trent University Faculty Association for “accepting the challenge” and helping our students realize their vision to create a Student Centre at Trent University! We have received your gift of \$5,000.00 in support of the Student Life Centre Fund and we have enclosed a business receipt for your purposes.

Your support will enhance the Trent experience by offering students new places and opportunities to socialize, learn, study and engage in life on campus. To be completed in September 2017, the new Student Centre will be located on the west bank of the Symons Campus between the Bata Library and the Trent Athletics Centre.

As you may know, Teeple Architects Inc. has been selected to design the building. You may recognize their award-winning work at Trent in the Childcare Centre and Chemical Sciences Building. Complementing the four residential Colleges on the Symons Campus, the Centre will foster a new era of participation in clubs, groups and extra-curricular activities, providing much-needed space for both on and off-campus students.

Allow me to share a special message of thanks from Dorcas Mensah, a second year student representative on our Board of Governors: *“On behalf of the students of Trent University, I’d like to say THANK YOU to all the faculty, staff and board members who have already accepted the Student Centre Challenge. Your contributions are a wonderful indication of our partnership in making this important initiative come to life.”*

Thank you again for your commitment to our students!

A handwritten signature in black ink that reads "S. Booth".
