

Policy on Payment for Care of Dependents

Authority: Executive Committee

Approved: May 17th, 2012

Policy Statement:

Members participating in TUFA meetings and events may apply for reimbursement of costs associated with providing alternative care for dependants.

Notice of such need, including an estimate of the costs, must be made to the TUFA office at least one week prior to the commencement of the event. TUFA will reimburse reasonable expenses subject to availability of funds allocated for this purpose.

All contractual arrangements must be made by the individual directly with such providers and TUFA bears no responsibility or liability for the actions of caregivers.
