Dear Colleagues,

At our Spring General Membership Meeting last week, the TUFA membership voted overwhelmingly to approve \$1,000 in strike support to assist CUPE 3903 and its membership secure fair terms and conditions of employment from York University. We understand that subsequently you have reached a second tentative agreement with the Employer which will be the subject of a ratification vote by your members this evening. We respect the tough choices that you and your members have been making both at the table and in the union hall. Please know that whatever the result of today's vote we stand with you in solidarity.

For the Executive and Members of TUFA,
