c/o Yuk-Sem Won, President,
Northern Ontario School of Medicine Faculty and Staff Association,
2436 Arthur Street West
Thunder Bay, ON
P7K 1E6

Dear Colleagues:

The Trent University Faculty Association stands firmly behind the members of the Northern Ontario School of Medicine Faculty and Staff Association who were left no option but to strike for a fair and appropriate first agreement.

NOSMFSA members are right to insist on a contract that protects bargaining unit members and bargaining unit work, that does not claw back employee rights, and that treats the School's staff fairly with respect to the assignment of, and remuneration for, the critical work that they do.

TUFA recognizes and applauds the resolve of our colleagues at NOSM and we are pleased to make a solidarity contribution in support of our fellow unionists.

In Solidarity,

A handwritten signature in cursive script that reads "David Newhouse".

David Newhouse,
President,
