Dear Colleagues,

The Trent University Faculty Association is happy to support Academics for Peace with the enclosed contribution for \$1,000. Information about this initiative came to our union's Executive Committee by way of individual members who were very concerned to do something tangible to assist colleagues in Turkey who are experiencing job loss, economic hardship, and political repression. In addition to our contribution, Trent University has committed to a matching contribution through the Office of the Provost. We would certainly appreciate being kept informed of Academics for Peace programs and initiative and will consider additional steps that Trent University and its faculty might take in the coming academic year.

In Solidarity,
