

Pres. Edwards

TRENT UNIVERSITY
ASSOCIATION OF THE TEACHING STAFF
ELECTION OF CHAIRMAN

The Committee convened to investigate the desirability of organizing an Association of the Teaching Staff at Trent University has recommended a) that an Association be formed, and b) that an election be held before the end of the present term. The Committee also volunteered to organize such an election, and feels that for this first year it will be sufficient to elect only a chairman of the Association who will serve for a one year term of office.

Although it is unlikely that the duties to be performed by the chairman of the Association will be arduous during this first year, it is desirable that the machinery of such an Association be brought into existence early in the life of the University.

The Committee accordingly invites nominations for the position of Chairman. These should be sent to the undersigned as soon as possible, and in any event before 10th January, 1965.

R. L. Edwards,
Chairman of the Committee.
